Kathy Shayna Shocket's got the inside scoop on the Valley's priciest homes sold and for sale.

An exclusive look at this \$10.2 million home soon to be listed ...

Here's an exclusive look at a \$10.2 million 14,000 sq. foot estate. This Sonoran beauty on 5 acres, nestled on the foothill of Mummy Mountain won't be listed until sometime in February, but here's a sneak peak. There are 2 master bedrooms in this 6 bedroom estate.

And I love, love the 10 -foot dramatically displayed \$250,000 **Soleri** Bells and the sweeping spiral staircase in the entryway.

There's even an art studio, guest house, game room and private office. It's breathtaking - with spectacular views. It's a pure work of art with architectural details and craftsmanship featuring hand-painted tiles and hand-carved mesquite wood, adobe walls, and cove plaster ceilings designed by several famed Santa Fe artists.

"It's truly a masterpiece," says **Wendy Walker of Wendy Walker Fine Properties**. "The walls of glass and flowing floor plan provide an element of charm and functionality for both grand and intimate style entertaining. The features such as the negative edge pool/spa with a flowing brook, and the patios with fireplaces provide all the elements of Arizona resort style living."
