Larry Fitzgerald looking and being a class act- AGAIN.

One of the highlights of the Make-A-Wish ball was when Arizona Cardinals **Larry Fitzgerald** video taped a get well message for a Wish Kid named Jordan. Because Jordan was too sick to attend the event, his wish to meet Larry was on hold until he recovered from life threatening brain surgery.

Larry (dressed oh so classy as usual; donning a man's silk scarf that gave a cosmopolitan dimension to his cocktail attire) taped the message with another Make -A -Wish child at his side- coincidentally also named **Jordan**.

The adored and respected Wide Receiver for the Cardinals was the Honorary Chair of this year's Wish ball, applauded for his dedication to the organization's mission. (And let's also applaud him for his other numerous philanthropic endeavors as well including his own First Down Fund.

Arizona State Treasurer **Doug Ducey** was presented with the **Tom and Madena Stewart** Lifetime Compassion Award . The couple's daughter **Andrea Stweart** chaired the gala. Ducey helped initiate Cold Stone Creamery's involvement and sponsorships for Make A Wish.

Make-A-Wish Arizona is the founding chapter of the world's largest wish granting organization. It grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. With the help of generous donors, Make-A-Wish Arizona grants almost 300 wishes annually.
