Don't miss AZ Foothills' pick for "Valley's best pool party," with cool cabana rentals plus poolside music and drink specials every weekend.

Start with the OH Pool, voted one of the "World's Coolest Pools" by Travel + Leisure. Check out the cool cabana rentals, the funky chaise lounges, and the great poolside bar and table seating.

Saturday and holiday weekend fun around the pool is reserved exclusively for Hotel Valley Ho guests, so be sure and stay to play! Scottsdale's downtown resort blends classic mid-century modern architecture with posh, playful rooms—from just \$109 nightly through Sept. 5. Every room features glass walls opening onto a private balcony or patio...plus a 32-inch flat-screen LCD high-definition TV, a morning bar, and even an oversized bathtub.

Happy Hour from 3-7 Fridays features \$3 beer, \$4 food items and \$5 specialty cocktails, along with drink specials from sponsors like Heineken, Skyy Vodka, Corona, Patron Tequila and more. "Session Saturdays" feature DJ Mr. P-Body spinning tunes from 1:30-5:30, with \$6 cocktails and sponsor drink specials from 11-6. And "City Sundays" feature a variety of \$6 cocktails based on different U.S. cities, presented by Cruzan Rum.

For still more Happy Hour fun, drop by ZuZu for Cool Redux with retro \$3 drink specials and \$5 appetizers from 4-7pm weekdays. ZuZu is the hub of hip, offering fresh farm-to-table comfort food and familiar favorites with a contemporary twist.
