September doesn't mean the end of summer fun, because Sanctuary's spa specials continue throughout the month.

Whether you're a guest of the resort or just dropping by for the day, make time to relax in one of the indoor-outdoor treatment rooms...with a 60-minute Emperor or Sanctuary Jewel Facial or Therapeutic Massage. Normally \$150, each treatment is priced at just \$120 Monday-Thursday or \$130 Friday- Sunday.

Second Treatment Savings

If you want to extend the indulgence, take advantage of a special value on a Sanctuary Signature Body Ritual, a classic Swedish Massage, Lotus Flower Aquatic Reflexology, or dozens of other spa services. With any 60-minute treatment, you'll save 50% off the second 60-minute treatment of your choice, to be enjoyed on the same day by the same person.

Member For The Day

The Asian-inspired spa's "Be A Member For The Day" package includes a 60- minute treatment of your choice, complimentary classes in the movement studio, use of the fitness center, access to the infinity pool, and a bento box lunch for deliciously healthful dining -- all for \$145 per person, any Sunday- Thursday through September 30.

Sanctuary Spa Salon

Drop by the salon any Monday-Thursday, and enjoy a complimentary deep conditioning treatment with any blowdry and style service. If you'd like to make an appointment for an Orange Blossom Royal manicure and pedicure while you're there, go right ahead. Then drop by the spa boutique for some shopping, or meet for a drink at jade bar, and show off your new look.

Three-Night-Stay Special

When you stay three nights at Sanctuary, you'll save 20% off your accommodations. Enjoy an entertaining stay at the extraordinary 53-acre resort on the north slope of Camelback Mountain. Relax by the infinity pool, then retreat to a luxurious casita or suite with spectacular vistas of Paradise Valley and the mountain beyond...as well as plush comforts like oversize chairs and sofas, luxurious Frette linens, Yeah Baby robes and Sanctuary sandals, nightly candlelight turndown service, and more.

During your stay, savor Food Network star Chef Beau MacMillan's award- winning cuisine in elements restaurant. Watching the sunset on Camelback Mountain while dining at elements is a special pleasure any evening. The restaurant's diverse menu includes local organic produce, sustainable seafood, hormone-free meats and innovations like in-house smoked meats, as well as vegetarian and gluten-free options.
