EXTRA EXTRA!

The headlining band for Arizona Foothills' Best Of Our Valley event is none other than the Best Band, as voted by our readers- [The Walkens](#) ! The Walkens are quickly proving to be one of the Valley's hottest and most exciting bands. The band's veteran lineup consists of former members of some of the areas most notable bands such as T.A.T.E., The Scones, Zowie Bowie and Frank Lloyd Vinyl. The Walkens are extensively traveled, playing throughout North America and Europe. In Arizona, they keep busy playing numerous local establishments, weddings, and corporate and private parties.

[Arrowheart](#), a local girl group, has recently gone from four to three members (it worked for Destiny's Child, didn't it?) and will also be performing at the Best Of event, debuting their new trifecta of sound. Arrowheart is an all female country pop group with unrivaled vocals and harmonies. Don't let their young appearances fool you! Arrowheart is quickly rising to the top and has plenty of experience between all three girls to make an impact on the industry. These girls have done everything from live performances, radio shows, television appearances and they are currently putting the finishing touches on their first album, produced by music industry legend Gardner Cole.
