EXTRA EXTRA!

Bumble and Bumble, everybody's favorite haircare line (thanks to its adorable packaging, glorious scents and ability to make our hair do *anything* we want), is releasing a new trio to make your locks as healthy and Beauteous as your favorite Chloe ads, and "help the beauty of every cut shine through," letting "hair sparkle naturally so every lock can catch the light in any style." It includes the Let it Shine Shampoo and Conditioner, which enhance shine by eliminating dulling residues, smoothing texture and sorting strands. The Let It Shine On (And On...) Finishing Spray is "a high-shine glossing mist that delivers a reflective veil without leaving hair greasy and weighed down."

Check it:

The Let it Shine Shampoo is \$22, Let it Shine Conditioner is \$23 and the Let it Shine On (and On...) Finishing Spray is \$25.
