EXTRA EXTRA!

Only two weeks ago, the famous Stacy's Smokehouse opened on Shea, just west of Scottsdale Road.

This BBQ shack made *Bon Appetit's* list of top ten BBQ spots in 2009. Along with many other national rewards, t's been recalled as "the fourth best BBQ in the country" by TLC's *Best Food Ever* series.

Stacy's famous home-style picks are smoked pork, ribs, beef, chicken and hot links, and special sides such as greens, mac and cheese, rice and beans, and golden fried okra. Make sure to grab a rich piece of red velvet cake for dessert!
