EXTRA EXTRA!

We just got word that a Seattle chain coffee shop is looking to become the next favorite place in the Valley. Baristas Coffee Co. Inc. is hoping to expand into the Phoenix market and open five drive-through coffee bars early next year.

What's so different about this coffee place? Baristas features female servers in sexy costumes. The CEO [Barry Henthorn](#) wants the coffee shop to have a Hooters vibe and said the baristas will wear a variety of costumes, including nurses, cheerleaders and bumblebees. We don't know about you, but all we need is a good cup of Joe in the morning.
