Tomorrow, The Westin Kielrand Resort & Spa will be opening up a nationwide search for the Kierland Wave Master. It's a full-time position for the person who will oversee our FlowRider operation. The competition will start with a video submission and end with a 'Surf-Off' for the finalists on our opening weekend. The winner gets the job!

Information about the job search is at www.kierlandwavemaster.com or more information about the FlowRider is at www.kierlandflowrider.com.
