Owner of True Food Kitchen, Modern Steak, Culinary Drop Out and much more, Sam Fox, is adding yet another concept to his vast boutique-restaurant style repertoire, coming Spring 2013 to Arcadia.

Fox said the new concept, which is to be located at 4455 Camelback Road at The Park business complex in Arcadia, will feature a large patio area, coffee house and will serve breakfast, lunch and dinner.

Fox said the name and menu of the new concept is not ready to be revealed, but the new eatery will reflect an urban design and neighborhood feeling fit for the Arcadia area.

The projected completion date is set for Spring 2013. www.foxrc.com
