EXTRA! EXTRA!

Tune in tonight at 6 p.m MST for the premier of a new head-to-head cookoff show featuring Executive Chef Beau MacMillan (pictured right) of elements restaurant at Sanctuary on Camelback Mountain. MacMillan will join GSN's (formerly the Game Show Network) newest series, "Beat the Chefs."

Each week, three novice cooks will compete against three professional chefs, whipping-up their favorite dishes to prove that their family recipes are tasty enough for a cash prize.

MacMillan will be joined by Chefs Antonia Lofaso and Jeff Henderson, and celebrity guest judges include Melissa Rycroft, Eric Roberts and "Julie and Julia" author, Julie Powell.
