EXTRA EXTRA!

We all have that proud parent feeling when someone in our community is off to something great. Today, we have the privilege of honoring not only one, but seven young women athletes from Xavier College Preparatory who recently signed letters of intent to the following colleges and universities:

Amanda Benson - Volleyball - University of Oregon

Michaela Dooley - Soccer - University of San Diego

Shannon Elford - Crew - St. Mary's College of California

Lauren Johnson - Softball - University of Arizona

Ellie Ladensack - Volleyball - Concordia University

Katie Park - Softball - University of Virginia

Katie Werner - Basketball - Yale University

Congratulations, ladies. We wish you the best in your future.
