EXTRA, EXTRA!

Sunday is now a day for new 'dos at Mane Attraction, located at 32nd Street and Camelback. As of Dec. 2, beauty aficionados can treat their tresses on Sundays from 11 a.m. until 4 p.m. with top stylists, including new additions Christina, Josey and Randee. These ladies have trained at reputable salons including Revlon Paris, the Paul Mitchell School and the only Bumble and Bumble school in the country, Penrose Academy, in North Scottsdale.
