Valentine's Day isn't just the day of love; this year, it is a day of giving back. A fundraiser is being held At El Santo Cantina in Scottsdale on Feb. 14 to benefit a good friend to so many, Gary Lewis of Tempe. Lewis was involved in freak accident on the morning of Jan. 27, which easily could have taken his life. Thankfully, he is well, and the event he had already created "Garypalooza's Stupid Cupid Party" was re-invented to a fundraiser to help with his medical bills. (See above photo for more details.)
