Are you looking to change a life or donate to a good cause? March 20th marks Arizona Gives Day, it is a statewide online campaign for only twenty-four hours to get Arizonans to donate to nonprofit organization around the state.

The Phoenix Dream Center is one organization that will be looking for donors during the twenty-four hours as the Dream Center helps over 40,000 families and individuals each month. They use their donations to help homeless, human trafficking cases, hunger, poverty, and addiction. They have multiple programs at the Phoenix Dream Center to help individuals and families get back on their feet.
