Looking for a quick and easy way to earn money? Think you have the talent it takes? "Indi.com" is a new website where you can make a simple video from your smart phone and have the opportunity to win \$500 for each contest.

This website is just starting up, so right now your chances to win are higher than they ever will be once the website kicks into full gear! The contests are fun, easy and legit.

Think it's just another spam contest website? Think again! One of Arizona Foothills Magazine's own editors, Caitie Andreen, is even entered in one of their current contests! Help her win by quickly registering your e-mail address and voting for her from that e-mail address once a day! Only take a few minutes to help her out. It is simple and easy, and we think she's worth it.
