Susan G. Komen® Central and Northern Arizona (Komen CAN AZ) will tackle breast cancer by raffling two tickets for the Big Game occurring in Glendale, Arizona on February 1, 2015. The online raffle will be open for people to purchase tickets until January 25 at 10:00 p.m. and all proceeds will fund local mission programs and breast cancer research.

"We hope to invoke the spirit of the Big Game coming in February by celebrating those who keep their game faces on constantly in the midst of facing breast cancer." Said Komen CAN AZ Executive Director Heather Roberts.

Komen CAN AZ aims to raise \$20,000 from the ticket raffle. Every raffle ticket purchased helps save lives in central and northern Arizona. Participants can purchase raffle tickets online at komenCANaz.org with prices starting at \$100. Based on all of the entries, a random winner will be selected. Up to 75 percent of Komen CAN AZ's net income stays in central and northern Arizona to fund vital mission programs, while 25 percent supports breast cancer research.

For more info call 602-544-CURE (2873) or visit <http://www.komenCANaz.org>.
