PLEASE JOIN US FOR **SUPERHERO SEPTEMBER**
AT THE CHILDHHELP CHILDREN'S CENTER OF ARIZONA

Superheroes, as we know them, exist because they have typically endured some sort of trauma or crisis in their past and they fought to overcome it.

The Childhelp Children's Advocacy Center of Arizona wants every kid to know that there is a superhero inside them. By empowering them to stand tall and be strong in the midst of adversity, they can transform themselves and live a full, happy, and productive life.

During the entire month of September, help the Phoenix Police Department, the Phoenix Fire Department, and Childhelp to empower children impacted by abuse.

Together, we can turn adversity into hope and inspiration.

Help Us Empower Children Today!

#SUPERHEROSEPTEMBER

Spearheaded by the Phoenix Police Department, the Phoenix Law Enforcement Association, the Phoenix Fire Department and the United Phoenix Firefighters Association, the entire month of September will be designated as Superhero September at the [Childhelp Children's Center of Arizona](#). Throughout the month of September, members of the community, businesses large and small, and those who are interested in helping children, are encouraged to donate new and unused toys, school supplies, crafts, non-violent comic books and superhero costumes, and gift cards. The goal is to empower children who have been victimized by abuse so that they may begin to turn adversity into hope and inspiration.

Childhelp Children's Center of Arizona is located at 2120 North Central Ave., Ste. 130 in Phoenix.
