

Paradise Bakery Rewards Program

Written by Ashley Pearlstein

Paradise Bakery and Café has been a Tucson hotspot for lunch, snacks, or a midday treat since opening. Now, Paradise is giving back to its customers through a “Taste of Paradise” rewards program.

The “Taste of Paradise” rewards program has recently been launched at all Tucson locations. Frequent Paradise customers will now be rewarded for their loyalty, making Paradise an even more attractive place to dine.

When loyalty members purchase 12 entrees, over \$5 each, they will receive one free entrée. When loyalty members purchase five muffins, they will receive one free muffin. Finally, when loyalty members purchase 12 coffee drinks, they will get one free coffee drink.

Catering customers will also be rewarded for their loyalty by receiving a \$10 credit for any order of \$100 or more. This Paradise catering bonus comes in perfect time for holiday parties and New Year’s Eve celebrations.

Purchases and rewards will be stored and tracked through registered rewards cards. Customers can pick up the new “Taste of Paradise” card at any Paradise Bakery and Café in Tucson and Phoenix.

Now there is even more of an incentive to dine at Paradise. Along with their homemade, fresh-baked cookies, delicious coffees and teas, fresh sandwiches and salads, and muffins and bagels, a rewards program encourages you to enjoy your favorite treats. Stop in any Paradise Bakery and Café to register your rewards card or learn more about the benefits.
